

# Driving Lesson Recorder

Your personal Camera Eye helps you reach your goal of a full driving license!

**Now you see what happens at your driving school lessons!**

After the lesson you get a special SD-Card from your driving teacher.

Download the free player software from our website.

Observe the mistakes and correct them in preparation for your next driving lesson! Through this efficiency cut the cost of your training!

Fasten your seatbelt and have a nice look at the brilliant videos of your driving lesson tour! You will learn quickly and easily and enjoy a fast track to your full driving license!
